MERIT[®]
SERIES

GAS FURNACE | ML196E

Single-stage, 96% fuel-efficient gas furnace with Power Saver™ constant-torque motor design

CONSIDER THE BAR RAISED.

Welcome to the Lennox® standard of excellence. Merit® Series is the introductory product line that raises the bar for heating and cooling equipment. Don't settle when it comes to the air inside your home—ask for more. Ask for Merit.

Ask More from Your Air.

Upgrade your heat, lower your utility bills.

The Power Saver™ constant-torque motor design uses less energy in both heating and cooling modes, helping you save on utility bills. Flexible airflow based on a home's ductwork makes this furnace 33% more efficient than older furnaces, while also delivering high gas efficiency with the 96% AFUE*.

The ML196E gas furnace has earned the ENERGY STAR® certification, which means it meets or exceeds guidelines set forth by the U.S. Environmental Protection Agency.

PEACE-OF-MIND PROTECTION

The ML196E gas furnace comes with a 20-year limited warranty on the heat exchanger and a 5-year limited warranty on remaining covered components.**

RELAX.

SAVE MONEY EVERY MONTH

- With an energy rating of 96% AFUE*, you pay for perfectly heated air, not wasted energy.

SEALED FOR MAXIMUM EFFICIENCY

- The sealed blower compartment permits only 1% air leakage, maximizing comfort.

A SMARTER SYSTEM

- When this furnace is installed with a compatible Lennox heat pump, it creates a heating system that can switch back and forth between gas and electricity automatically, based on whichever is most cost-efficient for the weather conditions at the time.

DEPENDABLE AND LONG-LASTING

- The silicon nitride Surelight® ignitor ensures reliable operation for years.

*AFUE, or Annual Fuel Utilization Efficiency, is a measure of how much usable heat is generated when natural gas is burned in the unit. The higher the AFUE, the more heat you'll get from your natural gas, and the less gas you'll have to use to stay warm.

**Covered components may be eligible to receive a 10-year limited warranty. Online equipment registration at www.lennoxregistration.com is required within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.

Note: Due to Lennox' ongoing commitment to quality, specifications and ratings are subject to change without notice.

California Only

If installed in South Coast Air Quality Management District (SCAQMD) only: This furnace does not meet the SCAQMD Rule 1111 NOx emission limit (14 ng/J), and thus is subject to a mitigation fee of up to \$450. This furnace is not eligible for the Clean Air Furnace Rebate Program: www.CleanAirFurnaceRebate.com. If installed in San Joaquin Valley Air Pollution Control District (SJVAPCD) only: This furnace does not meet the SJVAPCD Rule 4905 NOx emission limit (14 ng/J), and thus is subject to a mitigation fee of up to \$450.
